China: "When Wang Ping was nine years old, she secretly set about binding her feet with elastic bands.

Footbinding had by then been outlawed in China, women's feet "liberated," but at that young age she desperately wanted the tiny feet her grandmother had—deformed and malodorous as they were."

Aching for Beauty: Footbinding in China by Wang Ping

In *Aching for Beauty*, Wang interprets the mystery of footbinding as part of a womanly heritage—"a roaring ocean current of female language and culture." She

Food and Foot Binding – Women in Chinese History

Foot binding was the Chinese custom of breaking and tightly binding the feet of young girls in order to change the shape and size of their feet; during the time it was practiced, bound feet were considered a status symbol and a mark of beauty. Feet altered by foot binding were known as lotus feet, and the shoes made for these
