<p>The Delhi Sultanate period (1206-1526) is commonly portrayed as an age of chaos and violence-of plundering kings, turbulent dynasties, and the aggressive imposition of Islam on India. But it was also the era that saw the creation of a pan-Indian empire, on the foundations of which the Mughals and the British later built their own Indian empires. The encounter and Hinduism also transformed, among other things, India’s architecture, literature, music and food. Abraham Eraly brings this fascinating period vividly alive, combining erudition with powerful storytelling, and analysis with anecdote. 'Wonderfully well researched . . . engrossing, enlightening.' The Hindu 'An insightful perspective . . . Eraly has a unique ability to create portraits which come to life on the page.' Time Out 'remarkably comprehensive and detailed.' Business Standard 'Captivating . . . reads like a delightful novel.' Dawn</p>

<p>The book represents the first comprehensive history of the Delhi Sultanate from 1210-1400.</p>
---

<p>A Stirring Account Of One Of The World S Greatest Empires In December 1525, Zahir-Ud-Din Babur, Descended From Chengiz Khan And Timur Lenk, Crossed The Indus River Into The Punjab With A Modest Army And Some Cannon. At Panipat, Five Months Later, He Fought The Most Important Battle Of His Life And Routed The Mammoth Army Of Sultan Ibrahim Lodi, The Afghan Ruler Of Hindustan. Mughal Rule In India Had Begun. It Was To Continue For Over Three Centuries, Shaping India For All Time. In This Definitive Biography Of The Great Mughals, Abraham Eraly Reclaims The Right To Set Down History As A Chronicle Of Flesh-And-Blood People. Bringing To His Task The Objectivity Of A Scholar And The High Imagination Of A Master Storyteller, He Recreates The Lives Of Babur, The Intrepid Pioneer; The Dreamer Humayun; Akbar, The Greatest And Most Enigmatic Of The Mughals; The Aesthetes Jehangir And Shah Jahan; And The Dour And Determined Aurangzeb.</p>
--

<p>The volume cover the entire political history of Delhi Sultanate, focusing on Mahmud Ghazni’s campaigns, Ziyauddin Barani’s descriptions, Sufi saints and their records, as well as peasants, artisans, tailors, weavers and a plethora of people who constituted the landscape of the subcontinent during the eleventh to seventeenth centuries.</p>
--

For over five hundred years, Muslim dynasties ruled parts of northern and central India, starting with the Ghurids in the 1190s through the fracturing of the Mughal Empire in the early eighteenth century. Scholars have long drawn upon works written in Persian and Arabic about this epoch, yet they have neglected the many histories that India's learned elite wrote about Indo-Muslim rule in Sanskrit. These works span the Delhi Sultanate and Mughal Empire and discuss Muslim-led kingdoms in the Deccan and even as far south as Tamil Nadu. They constitute a major archive for understanding significant cultural and political changes that shaped early modern India and the views of those who lived through this crucial period. Audrey Truschke offers a groundbreaking analysis of these Sanskrit texts that sheds light on both historical Muslim political leaders on the subcontinent and how premodern Sanskrit intellectuals perceived the "Muslim Other." She analyzes and theorizes how Sanskrit historians used the tools of their literary tradition to document Muslim governance and, later, as Muslims became an integral part of Indian cultural and political worlds, Indo-Muslim rule. Truschke demonstrates how this new archive lends insight into formulations and expressions of premodern political, social, cultural, and religious identities. By elaborating the languages and identities at play in premodern Sanskrit historical works, this book expands our historical and conceptual resources for understanding premodern South Asia, Indian intellectual history, and the impact of Muslim peoples on non-Muslim societies. At a time when exclusionary Hindu nationalism, which often grounds its claims on fabricated visions of India's premodernity, dominates the Indian public sphere, *The Language of History* shows the complexity and diversity of the subcontinent's past.

Inscriptions Have Served As A Major Source Of Political History Of Ancient India, And They Remain Valuable For The Social And Cultural History Of Medieval India, Where Political History Is Covered In Detail By Chronicles. This Collection Of Inscriptions In Sanskrit And Related Languages Dating From The Thirteenth To The Sixteenth Century Is An Important Addition To The Source Material On The Delhi Sultanate. Dust Jacket Slightly Frayed But In Excellent Condition.
