About Annie Ernaux.

The award-winning
novels of Annie Ernaux

are controversial,

innovative, and address
the topical issues of

gender and social class.

Surprisingly, there has

been no major study of

her work, despite the

fact that it is

increasingly taught and

has been widely

translated. This book
fills that gap by
presenting Ernaux's
work through a range of
readings: those of the
author herself, those of
academics, of reviewers
and of 'ordinary'
readers.
