Answers to several of the E2020 tests and quizzes are available on the Quizlet.com website.

Presents two real cases in which animals were carriers for disease that affects humans, and discusses how doctors uncovered the cause and attempted to stop the spread of the disease.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Steinbeck's only work of fantasy literature—in a deluxe edition with a foreword by Christopher Paolini, New York Times bestselling author of Eragon, Eldest and Brisingr A Penguin Classic Malory's Le Morte d'Arthur that John Steinbeck truly enjoyed reading as a child. Fascinated by Arthurian tales of adventure, knighthood, honor and friendship, in addition to the challenging nuances of the original Anglo-Saxon language, Steinbeck set out to render these stories faithfully and with keen animation for a modern audience. Here then is Steinbeck's modernization of the adventure of King Arthur and the Knights of the Round Table, featuring the icons of Arthurian legend—including King Arthur, Merlin, Morgan le Fay, the incomparable Queen Guinevere, and Arthur's purest knight, Sir Lancelot of the Lake. These enduring tales of loyalty and betrayal in the time of Camelot flicker with the wonder and magic of an era past but not forgotten. Steinbeck's retelling will capture the attention and imagination of legions of Steinbeck fans, including those who love Arthurian romances, as well as countless readers of science fiction and fantasy literature. This edition features a new foreword by Christopher Paolini, author of the number-one New York Times bestselling novels Eragon, Eldest, and Brisingr. It also includes the letters John Steinbeck wrote to his literary agent, Elizabeth Otis, and to Chase Horton, the original editor of this volume. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

"Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the dnes and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s.

Prepare for Microsoft Exam 70-761-and help demonstrate your real-world mastery of SQL Server 2016 Transact-SQL data management, queries, and database programming. Designed for experienced IT professionals ready to advance their status, Exam Ref focuses on the critical-thinking and decision-making acumen needed for success at the MCSA level.
