Baduanjin qigong - Wikipedia

Start with arms by sides, feet slightly apart, breathe in as your arms start rising from the sides of the body, watch your hands coming together above the head (continue to watch your hands throughout the exercise). Do a stretch from the torso as if reaching for a ball, then relax, exhale and lower the arms in front so arms are parallel to each other and continue to hold the ball, once hands are in front of the chest push palm forward, still exhaling, fingers pulled back so there is tension ...
