I play an alto recorder and adapt to music best played by a "C" recorder by just using :C: recorder fingerings on my Alto recorder. I also believe that many of these tunes need to be played in an up beat tempo, to get the arpeggio effect that Bach used a lot. The key centers change a lot so you can't find "do"

small group instruction. Includes over 130 songs, instrument basics, music reading, duets and rounds, music history, and a fingering chart.

Baroque & Folk Tunes For The Recorder is an unusual collection, containing over fifty pieces drawn from over 300 years of music. The selection contained in this book offer the player a sizeable scope of musical moods from lively, catchy pieces that are fun to rip through to those that are just beautifully melodic. It gathers together melodies originally written for violin or

oboe, sung by trained singers and common people alike, Baroque and rag tunes, old and new tunes. Experience the joy of making them come alive again!

This beautiful piano and organ duet arrangement by E. Power Biggs of one Bach's most enduring and inspiring pieces is easily playable by most church pianists and organists. The pianist will usually be playing the triplet figure, with the organist playing the chordal harmonies and the cantus firmus, however the roles are occasionally reversed, adding variety and interest. This
