'City of Djinn: a year in Delhi' is probably the finest book on the city of Delhi covering mostly its recent history of 400 years. It is lovingly and passionately researched and is embellished with endearing encounters. The author spends a whole year in Delhi in 1989 and researches for four more years to produce this gem of a book.

City of Djinn: A Year in Delhi by William Dalrymple
Dalrymple spends a year in Delhi, studying historical texts and travelers' chronicles, then visiting the old Hindu, Moghul, Muslim, and British sections of the city, bringing the archaeological remains alive with the majesty and personalities of the times.

City of Djinn: A Year in Delhi William Dalrymple. From Library JournalDelhi has a richly layered past, and Dalrymple (In Xanadu, McKay, 1990) deftly peels away each layer to reveal how the city came to be what it is today. Djinn are spirits said to be seen only after prolonged fasting and prayer; they too are integral to understanding the city.

City of Djinn: A Year in Delhi is a fascinating book by British author William Dalrymple. Released in 1993, it was the result of a year-long stay in New Delhi, and explores the centuries of history present in the city. Part memoir and part travelogue, it paints an engaging and informative portrait of this age-old city. "Whoever has built a new city in Delhi has always lost it: the Pandava brethren, Prithviraj Chauhan, Feroz Shah Tughluk, Shah Jehan ....

Peeling back the layers of Delhi's centuries-old history, City of Djinn is an irresistible blend of research and adventure. Sparkling with irrepressible wit, City of Djinn peels back the layers of Delhi's centuries-old history, revealing an extraordinary array of characters along the way—from eunuchs to descendants of great Moguls. With refreshingly open-minded curiosity, William Dalrymple explores the seven "dead" cities of Delhi as well as the eighth city—today's Delhi. Underlying his quest is the legend of the djinn, fire-formed spirits that are said to assure the city's Phoenix-like regeneration no matter how many times it is destroyed. Entertaining, fascinating, and informative, City of Djinn is an irresistible blend of research and adventure.

'Could you show me a djinn?' I asked. 'Certainly,' replied the Sufi. 'But you would run away.'

Winner of the 1994 Thomas Cook Travel book Award and Sunday Times Young British Writer of the Year -Dalrymple is probably the best travel writer of his generation"Daily Mail -As the author of the best travel book of recent years at the intensely irritating age of twenty-two, William Dalrymple has now shown that In Xanadu was no fluke. City of Djinn is an entertaining mix of history and diary informed by a deep curiosity about the ways in which the ghosts of even the most distant past still walk in the twentieth century,"Christopher Lockwood, Daily Telegraph -Dalrymple has pulled it off again - At a time when the book of travels is beginning to lose its fashionable allure, City of Djinn is not really a travel book at all. It is a kind of memoir recording the response of a single, gente, merry and learned mind to the presence of an ancient city ... Dalrymple is anything but avoyeur. Even his excursions into the world of the eunuchs are conducted with a kind of grave innocence. He is more a pilgrim than an observer, always trying to understand - It is the work of a man who has consciously chosen to commit himself to the profession of letters, and in it we see the first fine rapture of In Xanadu deepening to a profounder dedication - hours and hours of pleasure for his readers."Jan Morris, Independent -One one level there are the amusing rites of passage, the struggles with bureaucracy, the eccentricity of Dalrymple's landlord, all entertainingly related. Dalrymple has a way of letting you smell and feel the city. There are beautifully chiselled descriptions of a grand capital - but much of the book's strength lies in Dalrymple's skill in peeling the historical onion and showing how (the) New Delhi resonates with the old - A splendid tapestry."Trevor Fishlock, Sunday Telegraph -A sympathetic and engaging portrait of this age-old city"Nicholas Wordsworth, Financial Times -Scholarly and marvellously entertaining - A considerable feat."Dervia Murphy, Spectator -Unlike much of modern travel writing [City of Djinn] is informative, learned and funny - a lively and sometimes profound book."Emma duncan, Economist -An expansive and inclusive work, richly peopled - an enlightening and entertaining book."Iain Wetherby, Literary Review.

In Xanadu is, without doubt, one of the best travel books produced in the last 20 years. It is witty and intelligent, brilliantly observed, deftly constructed and extremely entertaining& Dalrymple s gift for transforming ordinary humdrum experience into something extraordinary and timeless suggests that he will go from strength to strength Alexander Maitland, Scotland on Sunday

A Buddhist monk takes up arms to resist the Chinese invasion of Tibet - then spends the rest of his life trying to atone for the violence by hand printing the best prayer fljins in India. A Jain nun tests her powers of detachment as she watches her best friend ritually starve herself to death. Nine people, nine lives; each one taking a different religious path, each one an unforgettable story. William Dalrymple delves deep into the heart of a nation torn between the relentless onslaught of modernity and the ancient traditions that endure to this day. **LONGLISTED FOR THE BBC SAMUEL JOHNSON PRIZE**

From the author of The Last Mughal and Nine Lives: the classic stories he gathered during the ten years he spent journeying across the Indian subcontinent, from Sri Lanka and southern India to the North West Frontier of Pakistan. As he searched for evidence of Kali Yug, the "age of darkness" predicted by an ancient Hindu cosmology in a final epoch of strife and corruption, Dalrymple encountered a region that thrilled and surprised him. Venturing to places rarely visited by foreigners, he presents compelling portraits of a diverse range of figures—from a Hindi rap megastar through the Tamil Tigers to the drug lords of Pakistan. Dalrymple's love for the subcontinent comes across in every page, which makes its chronicles of political corruption, ethnic violence and social disintegration all the more poignant. The result is a dark yet vibrant travelogue, and a unique look at a region that continues to be marked by rapid change and unlimited possibilities as it struggles to reconcile the forces of modernity and tradition.

In the spring of A.D. 587, John Moschos and his pupil Sophronius the Sophist embarked on a remarkable expedition across the entire Byzantine world, traveling from the shores of Bosphorus to the sand dunes of Egypt. Using Moschos's writings as his guide and inspiration, the acclaimed travel writer William Dalrymple retraces the footsteps of these two monks, providing along the way a moving elegy to the slowly dying civilization of Eastern Christianity and to the people who are struggling to keep its flame alive. The result is Dalrymple's unsurpassed masterpiece: a beautifully written travelogue, at once rich and scholarly, moving and courageous, overflowing with vivid characters and hugely topical insights into the history, spirituality and the fractured politics of the Middle East.

Discover the "extraordinary" (The Washington Post) debut novel that "announces the arrival of a literary supernova" (The New York Times Book Review),"a drama of childhood that is as wild as it is intimate" (Chigozie Obioma). **WINNER OF THE EDGAR® AWARD • LONGLISTED FOR THE WOMEN'S PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR** By The New York Times Book Review • Time • The Washington Post • NPR • The Guardian • Library Journal In a sprawling Indian city, three friends venture into the most dangerous corners to find their missing classmate. . . . Down market lanes crammed with too many people, dogs, and rickshaws, past stalls that smell of cardamom and sizzling oil, below a smoggy sky that doesn't let through a single blade of sunlight, and all the way at the end of the Purple metro line lies a jumble of tin-roofed homes where nine-year-old Jai lives with his family. From his doorway, he can spot the glittering lights of the city's fancy high-rises, and though his mother works as a maid in one, to him they seem a thousand miles away. Djinn Patrol on the Purple Line plunges readers deep into this neighborhood to trace the unfolding of a tragedy through the eyes of a child as he has his first perilous collisions with an unjust and complicated wider world. Jai drools outside sweet shops, watches too many reality police shows, and considers himself to be smarter than his friends Pari (though she gets the best grades) and Faiz (though Faiz has an actual job). When a classmate goes missing, Jai decides to use the crime-solving skills he has picked up from TV to find him. He asks Pari and Faiz to be his assistants, and together they draw up lists of people to interview and places to visit. But what begins as a game turns sinister as other children start disappearing from their neighborhood. Jai, Pari, and Faiz have to confront terrified parents, an indifferent police force, and rumors of soul-snatching djinn. As the disappearances edge ever closer to home, the lives of Jai and his friends will never be the same again. Drawing on real incidents and a spate of disappearances in metropolitan India, Djinn Patrol on the Purple Line is extraordinarily moving, flawlessly imagined, and a triumph of suspense. It captures the fierce warmth, resilience, and bravery that can emerge in times of trouble and carries the reader headlong into a community that, once encountered, is impossible to forget.
