There's a reason caviar has a reputation as a love food, but a little vanilla or peppermint can work wonders too! You'll savor mushrooms like never before after experiencing their intuitive-raising effects, and a bunch of celery will resonate with new meaning as it boosts your sexual desire and psychic awareness. Virtually any item in your pantry can be used for personal transformation. From artichokes to kidney beans to grape jelly, food contains specific magical energies you can harness for positive results. This encyclopedia of food magic offers twenty-seven of Scott Cunningham's favorite recipes. Magical menus for more than ten desired goals including love, protection, health, money, and psychic awareness are provided as well. This commemorative edition also presents special features and articles celebrating Scott Cunningham's remarkable life.

Rose, famous author of books on herbs and developer of an herbal course says "I love books like this ... It is accessible, easy to read, and with its encompassing index (all too often neglected), simple to use as well." Over 200,000 people already have this book and use it frequently. In this edition of the book (it's expanded and revised on the 15th anniversary of original publication) you will find the magical properties and folklore of over 400 herbs! You'll also find lists of herbs based on their magical powers, their genders, their planetary rulers, and more. Perhaps the most important list is the folk name cross-reference. With that information, when a recipe calls for "bramble, " you'll know it needs blackberry. Or if the magic calls for "enebro," you'll know you that is juniper. The main part of this book is the listings of the herbs. Each one includes names, associations, and magical attributions. Violets can be used for protection, luck, love, and more. Primrose is for protection and love. Garlic is for protection, healing, exorcism, lust, and prevention of theft. This book is considered a classic. It is probably consulted more than any other book on this subject. If you want to learn the secrets of magical herbs, this book is a must!

The book explains how to make your own incenses, oils, ointments, inks, tinctures, herb baths, bath salts, brews, ritual soaps and powders.

The ways of magic are revealed in nature . . . The secrets are written in meandering streams and drifting clouds, whispered by the roaring ocean and cooling breeze, echoed through caves and rocks and forests. When you draw a heart in the sand, call on the four winds for assistance, or ask the rain to wash away a bad habit, you are practicing earth magic. By

working in harmony with nature, we can transform ourselves, our lives, and our world. This tried-and-true guide offers more than one hundred spells, rites, and simple rituals you can perform using the powerful energy of the earth. Scott Cunningham was a greatly respected teacher and one of the most influential members of the modern Craft movement. A practitioner of elemental magic for twenty years, he wrote more than fifty books, including the seminal *Wicca: A Guide for the Solitary Practitioner*.

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own *Book of Shadows* and updated appendices of periodicals and occult suppliers.

Practice an ancient magic that is both natural and beautiful - the magic of amulets and charms, sachets and herbal pillows, incenses and scented oils. This practical and poetic guidebook by SCott CUnningham has introduced over 100,000 readers to the practice of herbal magic. *Magical Herbalism* will teach you how to identify, gather, grow, dry and store herbs and use them for protection, divination, healing and love. Also included are: the magical names of herbs, flowers, trees and roots; a Witch's herbal; Herbal redes; a list of baneful herbs and flying ointments.
