The growing but still evolving success of the Android platform has ushered in a second mobile technology "gold rush" for apps developers, but with well over 100,000 apps and counting in the Google Android Market and now the Amazon Android Appstore, it has become increasingly difficult for new applications to stand out in the crowd. Achieving consumer awareness and sales longevity for your Android app requires a lot of organization and some strategic planning. Written for today's Android apps developer or apps development shop, *The Business of Android Apps Development* shows how to incorporate marketing and business savvy into every aspect of the design and development process, giving your application the best possible chance of succeeding in the the various Android app stores and markets. This book takes you step-by-step through cost-effective marketing, public relations and sales techniques that have proven successful for professional Android app creators and indie shops—perfect for independent developers on shoestring budgets. No prior business knowledge is required. This is the book you wish you had read before

you launched your first app!

This second edition of *The Principles of Beautiful Web Design* is the ideal book for people who can build websites, but are seeking the skills and knowledge to visually enhance their sites. This book will teach you how to: Understand the process of what makes "good design," from discovery through to implementation Use color effectively, develop color schemes, and create a palette Create pleasing layouts using grids, the rule of thirds, and symmetry Employ textures: lines, points, shapes, volumes, and depth Apply typography to make ordinary designs look great Choose, edit, and position effective imagery And lots more... This revised, easy-to-follow guide is illustrated with beautiful, full-color examples, and leads readers through the process of creating great designs from start to finish. It also features: Updated information about grid-based design How to design for mobile resolutions Information about the future of web fonts including @font-face Common user-interface patterns and resources

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • From the infinitely inventive author of *How to Live Safely in a Science Fictional Universe*, a deeply personal novel about race, pop culture, immigration, assimilation, and escaping the roles we are forced to play. "One of the funniest books of the year.... A delicious, ambitious Hollywood satire." –The Washington Post Willis Wu doesn't perceive himself as the protagonist in his own life: he's merely Generic Asian Man. Sometimes he gets to be Background Oriental Making a Weird Face or even Disgraced Son, but always he is relegated to a prop. Yet every day, he leaves his tiny room in a Chinatown SRO and enters the Golden Palace restaurant, where *Black and White*, a procedural cop show, is in perpetual production. He's a bit player here, too, but he dreams of being Kung Fu Guy—the most respected role that anyone who looks like him can attain. Or is it? After stumbling into the spotlight, Willis finds himself launched into a wider world than he's ever known, discovering not only the secret history of Chinatown, but the buried legacy of his own family. Infinitely inventive and deeply personal, exploring the themes of pop culture,

assimilation, and immigration—Interior Chinatown is Charles Yu's most moving, daring, and masterful novel yet.

A charming and indispensable tour of two thousand years of the written word, weaves a fascinating trail across the parallel histories of language and typography.

Chef Keith Sarasin's love for food was developed at a young age when he would cook for his mother using old cookbooks that were given to him by his grandmother. He began his culinary career at the age of 15, working at a local sub shop washing dishes and making sandwiches. As the years went on he worked his way up through the restaurant ranks, from Sous Chef to Executive Chef. Sarasin was a private chef before founding The Farmers Dinner in 2012. Chef Chris Viaud is an award-winning who has competed in and won Jeunes Chefs Rôtisseurs regionals. He has helped open several restaurants in Boston and New Hampshire as well as designed commercial kitchens. Much of his career in Boston was spent cooking at Deuxave, one of the city's top-rated French restaurants. Today he is The Farmers Dinner executive chef.
