How did colonies, territories, and land purchases shape the United States of America? What differences—and similarities—are there between the states? What does each state bring to the union? From sea to shining sea, *The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States* explores the history, growth, politics, people, and more of each of the 50 states. It is a resource for learning about the events and personalities that influenced and affected each state, its history, government, cities, and culture. It is a convenient place to look for state facts and trivia. In addition to the state motto, nickname, and when it entered the union, *The Handy State-by-State Answer Book* answers intriguing questions about the people, places, and events that lend a unique character to each state's boundaries, government, and places of interest, such as: How important
