Off-screen, letting romance into his life isn't as easy. The women he dates all seem to want a piece of his glamorous life rather than his heart, and trust doesn't come easy for him. Then along comes Lana. A beautiful rocket scientist who's also sweet, smart, sexy, and has absolutely no idea who he is. But what will happen when she finds out? Will their worlds prove too far apart or could love really be like in the movies? From Thailand with Love All Logan has to do is to get the gold and get the girl. Easy, right? Travel photographer Winter Knowles and archeology professor Logan Spencer dislike each other at first sight. Stuck together into the wild, these two unwilling teammates will bicker and banter their way through a laugh-packed treasure hunt. After years of searching, a new mapping technology has given Logan a clue to the location of the legendary Lost City of Gold. A discovery that could make his career. So the last thing he needs on this life-changing expedition is for his team to get distracted by a pair of long legs. When Winter accepted the assignment on a tropical island she didn't sign up for a brooding team leader who'd clearly prefer to run a boys-only club. Never one to back down from a challenge, Winter is ready to show him she's no damsel in distress. But when a treasure like no other is uncovered and ruthless enemies will want to keep it for themselves, it'll be up to the two of them to save the day. Left alone to fight in the jungle, they will soon discover their lives might not be the only thing at stake—their hearts could be too. Get ready for the adventure of a lifetime. Now, attending her twin's wedding as the party's undesirable number one seems like more than she can handle. So, when a tall stranger with smoldering ice-blue eyes offers her a therapy of seven nights of no-strings-attached fun, she might even ignore that he has a beard and accept.
