"Lions led by donkeys" is a phrase popularly used to describe the British infantry of the First World War and to blame the generals who led them. The contention is that the brave soldiers were sent to their deaths by incompetent and indifferent leaders. The phrase was the source of the title of one of the most scathing examinations of British First World War generals, *The Donkeys*—a study of Western Front offensives—by politician and writer of military histories Alan Clark. The book ...
