Federico Fellini (Italy, 1920-1993) is a major figure in the history of cinema, who created his own highly personal and baroque cinematic language. He had his first major success in 1954 with *La Strada*, in which his wife and favourite actress Giulietta Masina plays the unforgettable Gelsomina, an innocent clown who falls prey to the violence of the post-war period.

Masters of Cinema: Federico Fellini by Angel Quintana

With its rich palette of hues and virtuosic composition within the 'Scope frame, Fellini *Satyricon* merges aesthetic and sensual liberty into a boldly visionary epic. The Masters of Cinema Series is proud to present Fellini *Satyricon* for the first time on Blu-ray in the UK, from a new 4K restoration. SPECIAL FEATURES featuring:

Scott Nye. July 6, 2015. By the late 1960s, Federico Fellini had more or less permanently transitioned from filmmaker to icon. The autobiographical 8% basically ensured his films would be permanently inseparable from himself, the sort of commercial accomplishment of which most film directors can only dream. Most directors are fortunate to be recognized for putting their "touch" into an accepted format.

Scott Reviews Federico Fellini's City of Women (Masters of Cinema Blu-ray Review) Scott Nye. March 13, 2013. In the early 1960s, Federico Fellini and Marcello Mastroianni were the very model of modernism. Throwing off the shackles of neorealism with a bustling, reconstructed image of Rome that was once trapped by an innate sense of spiritually and morality, yet utterly indifferent to it, their *La Dolce Vita* would, along with a small handful of other films, define the worldwide perception ...

Masters of Cinema | Eureka

The remarkable Masters of Cinema series from U.K.-based Eureka Entertainment has done it once again with their lovingly created Masters of Cinema Blu-ray release of Federico Fellini's 1972 *Roma*, an intentionally disjointed and rather chaotic affair detailing the various people and events of life in Italy's capital with more than a little semi-autobiographical material tossed in for good measure.
