Engines sets the scene for a stunning quartet of action-packed novels set in a richly inventive world in which wheeled cities hunt each other across the dried up sea bed. Big cities gobble up smaller ones and London rules above them all. Tom Natsworthy, a third class apprentice in the Guild of Historians, has the adventure of his life after he sets out to try to find out what has happened to his parents.

Mortal Engines (2018) - Plot Summary - IMDb

I bought Mortal Engines purely on spec, based on the blurb, and before the film appeared in cinemas. It is the first of a series of books, variously called The Mortal Engines or Predatory Cities Quartet, but it is self-contained. I gather the film has not been a commercial success, but I haven't seen it and am not reviewing it.
