This art therapy directive draws on that experiential process to help clients with letting go of things that they are ready to leave behind. Art Directive. Provide sheets of colored paper, as well as additional papers like tissue paper, textured papers, and small paper scraps. You can also offer drawing and painting media for mixed media.

Torn Paper Transformations - Creativity in Therapy

Art Therapy. Papermaking has gained significant momentum in the spheres of Art Therapy and trauma intervention. As with other art-making activities, the act of papermaking allows populations affected by trauma with a means to process memories and emotion through symbolic expression. According to Art Therapist Gretchen Miller, "art-making provides a safe means for expressing and communicating traumatic experiences which often cannot be reconciled through verbal language."
