A five-level course from Foundation to Advanced, each level of Reading & Writing complements the Listening & Speaking coursebooks through parallel topics and features. Skillful not only provides the tools for academic success but creates an arena for intelligent thinking and student debate.

"Every student needs top class reading and writing skills to succeed at an academic level. "Skillful" focuses on these two skills to give presentation, instant practice, and complete immersion in those language skills. It offers students the opportunity to develop language skills by presenting them with ideas from today's world, while building critical thinking skills that are vital for academic success. This is taken even further with a focus on study skills, providing students with practical guidance and support, and building confidence for independent learning throughout their university career."--Editor.

Every student needs top class reading and writing to succeed at an academic level. Skillful focuses on these two skills to give presentation, instant practice and complete immersion in those language skills. It offers students the opportunity to develop language skills by presenting them with ideas from today's world, while building critical thinking skills that are vital for academic success. This is taken even further with a focus on study skills, providing students with practical guidance and support, and building confidence for independent learning throughout their university career.
